What can I say, I don't like it. It far from the normal HO game. I had more fun uninstalling then I had playing. The up side, at least it worked, the first MI never got past the Microids screen before it crashed. Real bummer of a game.. If you don't count a couple annoyingly time-wasting puzzles, it's a pretty decent adventure with a nice story. Nothing more nothing less from what

we expected from Cry.. If you don't count a couple annoyingly time-wasting puzzles, it's a pretty decent adventure with a nice story. Nothing more nothing less from what we expected from Cry..
